CALL FOR PAPERS

WSSE 2022
THE 4TH WORLD SYMPOSIUM ON SOFTWARE ENGINEERING
Xiamen, China | September 28-30, 2022
www.wsse.org

WSSE is organized by Huaqiao University, co-sponsored by Wuhan University, University of Houston-Downtown, Science and Engineering Institute and technical supported by University of North Dakota, etc.

PUBLICATION
Conference Proceedings | Indexing EI Compendex & Scopus

CONFERENCE COMMITTEES
Conference Chairs
Jin Gou, Huaqiao University, CN
Kang Zhang, University of Texas at Dallas, US

Conference Co-Chairs
Hui Tian, Huaqiao University, CN
Yulin Wang, Wuhan University, CN

Program Chairs
Wentao Fan, Huaqiao University, CN
Yang Chen, Harbin Institute of Technology, CN
Yonglei Tao, Grand Valley State University, US

Program Co-Chairs
Jianhong Zhou, University of Electronic Science and Technology of China, CN
Emmanuel Grant, University of North Dakota, US

Award Chairs
Jing Wang, Huaqiao University, CN
Jialin Peng, Huaqiao University, CN

Student Program Chairs
Yiqiao Cai, Huaqiao University, CN
Huizhen, Zhang Huaqiao University, CN
Hongbo, Zhang Huaqiao University, CN

Local Chairs
Tsung-Chih Hsiao, Huaqiao University, CN
Yubiao Pan, Huaqiao University, CN

KEYNOTE SPEAKERS
Prof. Witold Pedrycz
University of Alberta, Canada
IEEE Fellow & H-Index: 119

Prof. Gul A Agha
National University of Illinois at Urbana-
Champaign, USA
IEEE Fellow & ACM Fellow

Prof. Ke Zhou
Huazhong University of Science & Technology, China

SUBMISSION
ABSTRACTS
Abstracts will only be used for presentation, and won’t be published.
FULL PAPER
Full papers (Word) should be at least 8 pages, and one regular registration covers 10 pages, additional pages will be charged.
Contributions should be submitted to:
https://www.zmeeting.org/submission/wsse2022

TOPICS
◆ Artificial Intelligence
◆ Communication Systems and Networks
◆ Component-Based Software Engineering
◆ Data Mining and Knowledge Recovery
◆ Economic and Financial Systems
◆ Engineering secure software
◆ Human-Computer Interaction
◆ Process Management & Improvement
◆ Programming languages
◆ Software Agent Technology
◆ Telecommunications
◆ Virtual Reality and Computer Graphics
◆ Web Engineering, Web-Based Applications

WORKSHOPS
ICOSS 2022 The 4th International Conference on Education and Service Sciences
Official Website: www.icoess.org

ICKIM 2022 The 4th International Conference on Knowledge and Information Management
Official Website: www.ickim.org

BDCI 2022 The 2nd International Conference on Big Data and Computational Intelligence
Official Website: www.bdci.org

DMIP 2022 The 4th International Conference on Digital Media and Information Processing
Official Website: www.dmip.net

CONTACTS
Ms. Hedy Huang
E-mail: wsse@sciei.org
Mobile: +(86)19180921310
